INSTRUCTIONS:

PROVIDER: Enter the appropriate provider code in the column marked "REQUESTED". Each category and/or individual privilege listed must be coded. For procedures listed, line through and initial any criteria/applications that do not apply. Your signature is required at the end of Section I. Once approved, any revisions or corrections to this list of privileges will require you to submit a new DA Form 5440.

SUPERVISOR: Review each category and/or individual privilege coded by the provider and enter the appropriate approval code in the column marked "APPROVED". This serves as your recommendation to the commander who is the approval authority. Your overall recommendation and signature are required in Section II of this form.

GENERAL: Obstetric and gynecologic clinical privileges are divided into four categories (levels). These categories are based on classification developed by the American College of Obstetricians and Gynecologists and published in "Standards for Obstetric-Gynecologic Services", current edition.
